

## North Pointe Enrollment Information

North Pointe is a tuition-free public charter school. Therefore, admission to North Pointe is not limited based upon income level, athletic ability, academic ability, ethnicity, national origin, gender, disabling condition, or proficiency in the English language. In accordance with A.R.S. 15-184(A), North Pointe admits all eligible students who submit timely, completed application (registration) when space is available in the specific program, class, grade level or building. As allowed by ARS 15-184(I), North Pointe does not enroll students who have been expelled or are in the process of being expelled from another school.

North Pointe provides a demanding academic program with an emphasis on the development of analytical thinking, knowledge, character, and leadership skills. When deciding whether North Pointe is the best fit for your family, we recommend meeting with the principal and attending an orientation. North Pointe believes that a motivated student, with parent support, will excel in an environment of high academic and behavioral standards. As a student, you don't have to possess a special talent or be the smartest person in the class to enroll at North Pointe or be successful here. All you need is a desire to be more than you are right now.

Upon receipt of a completed registration, North Pointe's administration will determine if space is available in the appropriate program/class/grade level and will notify the parent when the student has been accepted. Because we need a completed file to schedule classes, we encourage parents to submit all paperwork at one time. We do not use academic or disciplinary information/records to deny enrollment, except as allowed by ARS 15-184(I). However, a student will lose enrollment status if the enrollment paperwork does not match the academic records from the prior school. For example: If North Pointe accepted the student into 9<sup>th</sup> grade based on enrollment paperwork, but the prior school did not promote the student from 8<sup>th</sup> grade to 9<sup>th</sup> grade, the student forfeits his/her place in North Pointe's 9<sup>th</sup> grade class and will be placed at the end of the waiting list for 8<sup>th</sup> grade.

As allowed by ARS 15-184(I), North Pointe honors the expulsions of other schools/districts and does not enroll students who have been expelled or are in the process of being expelled from another school. Therefore, a student's file is not complete and the student will not be scheduled for classes until Pointe has been able to review the student's disciplinary record. North Pointe also honors the suspensions of other schools/districts. Students who have not been expelled and are not in the process of being expelled but are under active suspension from another school will be admitted if there is space, and required to serve out their suspension by attending Pointe's OSS Program prior to being scheduled for regular classes or participating in extracurricular and/or campus activities. Additionally, students with prior disciplinary actions may be required to participate in a Preventative Behavior Intervention Program.

A student who has received a failing grade from another school or district may be required to participate in a Preventative Academic Intervention Program. North Pointe is not a credit recovery school and does not have a credit recovery program. Students must have credits necessary for their academic program. Therefore, a student's file is not complete and the student cannot be scheduled for classes until Pointe has been able to review the student's complete academic record.

## North Pointe Student File Checklist

For your convenience, we provide a list of the items necessary to complete the student's file and that we need before the student is scheduled for classes. Only the Student Registration (1), proof of age and identity (8), and proof of residency (9) must be submitted for the student's enrollment application to be considered complete. Most families find it easiest to submit all the documents at one time.
